PRISONERS ESCAPE FROM CITY LOCKUP

By using a pick on the rear door of the city prison Monday night, the door was forced open after the lock had been forced, and three prisoners made their escape. The delivery occurred shortly after midnight and was accomplished by some one from the outside.

Turnkey Hager became aware of a noise in the cell room and made an investigation and found the rear door open. Three prisoners, all of them in for being drunk, had made their escape. Two of the men were recaptured this morning and the police are looking for the third.

In the rear of the city prison is a small building in which is located the stone pile, and several picks and sledge hammers are kept there. The jail breaker took one of the picks and forcing it under the door pried up on it until the frail latch snapped. Then the escape was easy.

The old prison is a disgrace to the city, and while kept in the best condition possible it is unsanitary and as the escape last night showed, prisoners can be liberated with little effort. A new building built along modern lines should be erected.

Mr. and Mrs. Snelling were united in marriage on April 4, 1850, at 11 a. m., and 11 children were the fruits of this union, of whom all but three are living. Mary Alcinda died at the age five months, James F. died when six years of age, and Rev. Ira S. Snelling was 33 years old at the time of his demise. The children now living are Mrs. F. H. Mr. and Mrs. Snelling are both up and around their home from early morning until late at night enjoying life and as good health as can be expected for people of their mature years.

The Assembly club held its last dance of the winter season on Monday evening in Assembly hall and although the crowd was small it was one of the most delightful affairs the club has given. Steven's orchestra, which furnished sweet music for the dancing until twelve o'clock, was at its best, and during the hours an elaborate luncheon was served in the balcony.

Among the dancers were Messrs. and Mesdames C. W. Montgomery, U. O. Stevens, C. W. Miller, E. Besuden, Walter Scott, E. S. Miller, Daniel Alshool, Frank Beggs, J. F. Irwin, Charles Wesson, H. H. Scott, J. R. Cook, D. M. Black, Frank Felix, Geo. Enoch, D. J. Price, W. H. Mazy, J. J. Carroll, Charles Smith and Mr. W. Davis.

CRIPPS-KEENEN.

A pretty wedding was that solemnized at 4 o'clock Sunday afternoon at the home of Mr. and Mrs. Frank Keenen, 33 Prospect street, when Rev. H. J. Holcomb united in marriage their daughter, Alice Carey Keenen, and Mr. Raymond Field Cripps in the presence of a number of relatives and a few friends. Jonquills and June berry blossoms were used in effecting the dainty color scheme of yellow and white and amid this artistic floral setting, the ceremony was performed. Miss Esther Lauck played the wedding march. The bride was gown in white messaline with pearl trimmings and carried bride's roses, while her bridesmaids, Misses Grace Keenen and Dolly Cripps were prettily attired in silk gowns, one green and the other pink. The groomsmen were Mr. Grover Strech of Columbus and Mr. Merrill Fink of Rawson, Ohio. A sumptuous wedding dinner was served at five o'clock.

Mrs. Cripps has lived in Newark all her life and has many friends here who wish her much joy in her married life. She is a graduate of the Newark high school, class '09. The groom is the son of Mr. and Mrs. Noah Cripps of Neil avenue, and is situated on a farm three miles from Granville on Loudon street and where, with his bride, he will reside.

PARABEE-CASTELE.

Sunday afternoon at five o'clock at the home of the bride in East Newark, Rev. Mr. Biddle united in the holy bonds of matrimony Mr. James Parabee and Mrs. Nettie Castele in the presence of a few friends. After the ceremony all enjoyed an appetizing six o'clock dinner and a pleasant evening. At a late hour the guests departed, wishing Mr. and Mrs. Parabee a happy wedded life.

The marriage service of Mr. Willis Sachs and Miss Gertrude Young will be read by Rev. B. M. O'Boylan in St. Francis de Sales church Wednesday morning at half after eight o'clock.

The Progressive club will have its hostess on Wednesday of this week. Mrs. Howard Jones of South First street.

On Monday afternoon, April 4, the beautiful ring ceremony was solemnized, uniting in marriage Mr. Walter M. Townsend, of Greensburg, Pa., a molder employed at the Wehrle Company, and Mrs. Gertrude Beaver Kirk, daughter of the late Jacob Beaver, of Hebron, O., by the Rev. T. A. Cosgrove, pastor of the Second Presbyterian church. Mr. and Mrs. Townsend were attended by Mr. and Mrs. E. C. Richardson, and will be at home to their friends at the bride's beautiful home, east of Hebron, O.

The marriage of Capt. Robert M. Bell, of the local police force, and Miss Cora Harding will be solemnized this evening.

Cards have been issued announcing the marriage of Mr. Henry Sheppard, son of Mr. and Mrs. William Sheppard, of North avenue, to Miss Erma Starr of Sandusky. The young people are now at home at 1219 Hancock street, Sandusky, O.

In the Church of the Blessed Sacrament at 7 o'clock this morning, Rev. Father Watterson read the nuptial mass for Mr. Morton Welsh and Miss Elizabeth Yost. They were accompanied by Mr. W. Welsh and Miss Nellie Yost, brother and sister of the groom and his bride. A wedding breakfast, to which only the immediate relatives were invited, was served at the home of the groom's sister, Mrs. Charles Kemp, of East Main street. Mr. and Mrs. Welsh left this noon for a trip through Michigan, after which they will return to the groom's home in McMechen, W. Va., where they will reside in the future.

POSTOFFICE PLANS ARE NOW ON FILE

Plans for Newark's new federal building have been received here by Postmaster George D. Heisey, and advertisements for bids on the construction of the new building will be published soon. The new post-office will be erected on the grounds recently purchased by the government, adjoining the Hotel Sherwood. The building will be placed East Main street, but will be so placed on the lot as not to obscure the Hotel Sherwood. It is understood that the plans are to be returned to Washington by May 7, so that the contract may be awarded.

WHY SALVES FAIL TO CURE ECZEMA

Scientists are now agreed that the eczema germs are lodged not in the outer skin or epidermis, but in the inner skin. Hence a penetrating liquid is required, not an outward salve that clogs the pores.

We recommend the standard prescription Oil of Wintergreen as compounded in liquid form known as D. D. D. Prescription. A trial bottle of this D. D. D. Prescription, at only 25 cents, will instantly relieve the itch. We have sold and recommended this remedy for years, and know of wonderful cures from its use. We recommend it to our patrons. F. D. Hall, 10 N. Side Square.

Killed Street Superintendent.

Philadelphia, Pa., April 5.—Hood Alexander, 30, a street superintendent for the Philadelphia Rapid Transit Company, was shot and probably fatally wounded today by Harold Lane, a striking trolley man, whom Alexander had tried to persuade to return to work.

SUPERINTENDENT HAS RESIGNED.

New Philadelphia, April 5.—Robert E. Nugent and his wife today resigned as superintendent and matron, respectively, of the Tuscarawas county Children's Home. Several months ago the whole country was startled by charges of cruelty practiced at the institution, it being alleged among other things that a carpet tack was driven through the tongue of an unruly boy.

CAPTAIN NIGHT RIDER LEADER.

Brownsville, Ky., April 5.—Jesse Anderson, alleged leader of the band of Night Riders that murdered 12 year old Charles Carroll and whipped Mrs. Carroll and her other children, was captured by Sheriff Vincent and a posse of ten men.

ASHBROOK'S NOMINATION CONCEDED
(Coshoccon Times.)
If there ever was a doubt of Ashbrook's nomination for another term, that doubt has been removed by the passage of the Hawkins' law, which throws the nomination of a congressman directly on the people themselves. They nominate a congressman direct; the one who gets the most votes in the district, at the primary May 17, will be the nominee, just the same as any county candidate is nominated. There may have been a doubt of Mr. Ashbrook's success where county mass conventions could be controlled to name delegates to the congressional convention, but since the people themselves will settle the nomination it is conceded that Mr. Ashbrook will win easily. Indeed it is announced that his most prominent opponent Mr. Wertz of Wayne, has said to his friends that he would withdraw.
With Mr. Ashbrook for congress, Judson Harmon for governor, the chances are that the Republicans will not get a county or district office in the entire Seventeenth district.

On motion of Mr. John R. Montgomery of Perry county, it was decided to hold the Senatorial convention in Newark on Tuesday, June 21, at 10 o'clock p. m.
On motion of Mr. Montgomery, the representation in the convention will be based upon the vote cast for Judson Harmon, Democratic candidate for governor of Ohio, each county to be entitled to one delegate for each 100 votes cast, and one delegate for each fraction of 50 or more, to wit: Delaware, 31; Licking, 31; Muskingum, 29, and Perry 40.

WILL DECIDE ON GRAND CIRCUIT TODAY.
Buffalo, N. Y., April 5.—Whether or not Buffalo will have a grand circuit meeting at Fort Erie, Canada, this year, will be decided at a meeting of the directors of the Buffalo Driving Club late today. The backers of the local light harness meet have been fighting closely the progress of the Miller anti-gambling bill in Canada, and would like to defer action until its fate is definitely decided, but the grand circuit stewards are anxious for an immediate answer.

CLUNG TO CANNON
When they had a chance to get rid of Cannon entirely what did the Ohio Republican congressmen do?
Congressman Douglas tumbled and floundered and after "explaining his vote" stood by Cannon.
Ralph Cole, who made such a noisy promise several weeks ago that he would vote against Cannon next time straddled the fence, a pitiful spectacle of indecision and did not vote at all on the resolution to reorganize the rules committee. He did not even have courage enough to flip a coin to decide which way to vote.
One of the Cleveland congressmen was paired with an absent Democrat and could only "chirp present" when his name was called.
Four other Republican misrepresentatives from Ohio, Taylor of Columbus, Howland of Cleveland, Johnson of Ironton, and Hollingsworth of Caniz, seeing that the band wagon was likely to run over them, deserted the regulars on the last two roll calls and voted with the insurgents.
Then all of them swung round and voted with the others who stuck to Cannon through thick and thin to keep the Czar on his throne. Not one of them voted to declare the speakership vacant in response to Cannon's challenge to depose him. All of them gave Cannon "a vote of confidence" on the final test.
Then how can you expect any of them, if re-elected, to vote for anybody except Cannon for speaker if the Republicans have a majority in the next congress? How can you rely on the promise of any of them to vote against Cannon next time when they practically voted for him again before the promise to their constituents was cold?

IN THE BLOOD
A Bad Humor Broke Out as a Small Sore—Intense Suffering for Five Years.
A Permanent Cure by Hood's Sarsaparilla.
"On getting up one morning I found what seemed to be a mosquito bite on the calf of my right leg. Soon the sore grew larger and continued day after day, becoming more and more troublesome. One physician advised poulticing, another physician told me to use a rubber bandage, but the sore grew worse until there was not a spot of healthy skin as large as a ten-cent piece between my knee and ankle. A third physician prescribed a paste, and then a specialist in skin diseases treated me for a year. The sore seemed to be healing, but in a few months broke out as bad as ever. I had now been suffering for more than five years. My leg was a dreadful sight. There were places so large and deep that an egg might have been put into them. I was told the leg must be amputated.
"One day a neighbor spoke of the value of Hood's Sarsaparilla for scrofula, and I thought I might as well take it. Before I finished the first bottle, I suffered less pain and could see the edges of the sore beginning to heal.
"So I continued taking Hood's Sarsaparilla, and before long the sore was completely healed and my general health perfect. I believe it my duty to tell what Hood's Sarsaparilla has done for me." Mrs. Josephine Sargent, 25 Lincoln Street, Exeter, N. H.
Hood's Sarsaparilla affects its wonderful cures, not simply because it contains sarsaparilla but because it combines the utmost remedial values of more than 20 different ingredients, each greatly strengthened and enhanced by this peculiar combination. There is no real substitute for it. If urged to buy any preparation said to be "just as good" you may be sure it is inferior, costs less to make, and yields the dealer a larger profit. Get Hood's Sarsaparilla
Today in usual liquid form or in chocolate tablets known as Sarsatabs.

REAPING BENEFIT
From the Experience of Newark People.
We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Newark residents on the following subjects will interest and benefit thousands of our readers. Read this statement. No better proof can be had.
C. L. Starr, 39 Hancock St., Newark, Ohio, says: "I have had no desire to retract anything from the public statement I gave in 1904 commending Doan's Kidney Pills as the cure they effected at that time has been permanent. I suffered for years from kidney complaint and backache, and although I used numerous remedies, I was unable to obtain relief. I had a constant pain across my joints and when I attempted to stoop, my suffering was always increased. My back was weak and I sat in one position for any length of time. It was almost impossible for me to arise. Hearing of Doan's Kidney Pills, I procured a box at Crayton & Co.'s Drug Store and was surprised by the prompt relief they brought. They quickly disposed of the backache and improved my health. I am always glad to say a few words in favor of Doan's Kidney Pills."

Promising to vote against Cannon when at home among their constituents and voting for Cannon when in Washington should convince the Republican voters in Ohio that their misrepresentatives in congress still hold to the belief that they can fool all of the people part of the time and some of the people all of the time.

WILL VOTE IN OHIO
Did you read reports from Washington about the conference at the White House last Friday? That was "All Fools Day", you know, when people think it legitimate to play April fool jokes on others.
Note these quotations from a report appearing in a Columbus Republican paper: "Arthur I. Vorys of Columbus was in Washington today on legal business and took luncheon at the White House, after which he had an extended conference with the President. Political conditions in Ohio were discussed, and Mr. Vorys told the president that there had been little change in the situation during the last four or five weeks"; also, "W. H. Phipps, secretary of the Republican state committee, was also a luncheon

ELECTRICAL WORKERS HOLD FINE BANQUET
The ninth anniversary of Union 172 of the International Electrical Workers of this city, was held in the rooms of the Newark Telephone Company's building on Church street, Monday night, and was one of the most enjoyable of any ever held by the union.
About forty persons, including a number of invited guests, sat down to the banquet, which had been prepared under the supervision of the committee of arrangements, and which was perfect in all its details, and was greatly enjoyed by those who were so fortunate as to be in attendance.
After an address by the inner man, Mr. Samuel A. Schorr, who is connected with the Newark Telephone company, as treasurer, called the assemblage to order. And right here it is but proper to state that the committee made no mistake when it selected Mr. A. Schorr as toastmaster. Mr. A. Schorr never gets up before an audience that he hasn't something to say that is worth while, and his building, with Monday night kept the banquetters in good humor. Short but telling speeches were made by Messrs. J. V. Adams who spoke on "Unionism," while others followed in the same line, including Joe Miller, John H. Sharritt of the Barbers Union, Arthur Banton, of the Electrical Workers, Edward Lake, President of the Electrical Workers, Ben Shank, of the Newark Telephone Company, and Mr. Richards, of the Postal Telegraph Company.

Daddy's Bedtime Story—A Pony That Didn't Go to War

JACK and Evelyn were waiting when daddy came in. He was very late. He said his horse had met with an accident and he had to walk. This prompted Evelyn to say that she hoped to grow up and have a horse and a riding habit. Thereupon Jack remarked that he didn't care to wait until he grew up before he went horseback riding. He wanted a pony right off.

"How long before a pony gets to be a horse, daddy?" asked Evelyn.

"Tell us a pony story, daddy!" shouted Jack. Evelyn was willing, and as soon as daddy put on his smoking jacket he began:

"This pony I am going to tell you about came very near going to the great civil war you have heard your grandfather tell about. In some parts of the country horses got to be so scarce during the war that many people were as careful about any colts they might have as they were about their pets. One family in the town where I grew up had a pony which was raised as gently as a dog. He used to be let in the front yard, where the grass was very nice and tender, and when he ate all he wanted he would roll on the lawn until he got tired, and then the mother, who was raising the pony for her little boy, talked to pony. When the pony got tired of playing in the grass the good mother of the home where the pony lived would feed him apples from the stoop of the house, and when it came time for the pony to be put up for the night the kind lady would give him a lump of sugar if he had been a very good pony. One day some soldiers came to town, and as they were tired they wanted some horses, and, as nobody had any to sell, the soldiers took any they could find. All soldiers have to do that sometimes. The lady who was raising the pony heard about the soldiers, and she was very much alarmed. She sent for Mrs. McFudge and asked her what she should do. Mrs. McFudge said she would take the pony and keep him in the cellar of her house. And she did. She hid the pony and kept him in the dark for some time. When the soldiers had gone the pony was let out, and his owner got Mr. McFudge to take the pony very far away, where there were no soldiers. He grew up to be a horse. He was the granddaddy of the horse I own, and the good lady who thought so much of him was my grandmother."

"I see," said Jack. "And you were the little boy that owned the pony?"

"But if you had been a little girl," said Evelyn, "the soldiers would not have thought of taking the pony, for—"

"Well," said daddy, "it's time for everybody, young and old, to be in bed."

A prominent specialist says it is unnecessary to suffer from indigestion or its attendant ills.

Columbus, O., April 4.—The intense interest in the wonderful cures being accomplished in Columbus and other cities by Dr. Jackson's Digestive and Liver Powders continues unabated. Many cases of indigestion, rheumatism, catarrh, dropsy, kidney and liver and blood diseases of years standing have been cured by this wonderful remedy and its fame is spreading far and wide and thousands of people are using it with wonderful results.

One thing that makes this remedy so good, is because it replaces what is lacking in the weak organs and allows them to rest and grow strong again.

The first dose is sure to relieve any case of heartburn, sour stomach, gas on stomach, palpitation of the heart, shortness of breath, distress after meals or pains in the stomach.

What makes this remedy more popular is the fact that a free trial box is sent by mail prepaid.

Those who wish to try it are requested to write to Dr. A. L. Jackson, Pres. of The Jackson Medicine Co., Columbus, O., or Zanesville, O., and they will receive a trial box and much information about disease, how to prevent and cure it and how to keep it.

COMBINATION GRATER

Plate on Side Permits It to Be Used as Ordinary Vessel.

Combination graters are greatly in demand, especially among the ever-increasing part of the population that is living in cities. A grater which has a device which permits it to be used as a grater, and also as a vessel, is a most useful and convenient kitchen utensil. It is a most useful and convenient kitchen utensil. It is a most useful and convenient kitchen utensil.

USEFUL IN SMALL KITCHENS.
The vessel is like a large mug with one side provided with a grating surface. Hinged to the bottom at this side is a curved plate that fits closely around the receptacle and closes the perforations, thereby converting it into a vessel that will hold anything but liquid. A ring goes over the top of the device when the plate is drawn up to hold it in position. When it is desired to use the utensil as a grater, the plate is let down and the perforated surface exposed. Those who have always had plenty of room in their kitchens for all the articles they are likely to buy, cannot understand how convenient such a utensil is in the tiny kitchen in the average flat.

BUCKEYE LAKE.

The following is the first spring poem to be received by the Advocate. It is written by "Josephine," and evidently Joseph must have had a good time at the lake to break forth into song over his chair. We trust that she will have an equally good time this season at the famous summer resort.

We are spending our summer vacation in a cottage by Buckeye Lake. And by the old-time we're having I don't think we've made a mistake.

We catch fish both evening and morning. And the boating is certainly fun. And at night we all dance at the pavilion. Till the clock points way past nine.

We have ice cream cones and sodas. And chocolate in wafers so gay. And free drink pop that bubbles and foams. In a most charming way.

I hope there will be a big harvest. And of the young's father away. He's in the green trees. For another week to stay.

I have received from your head office, Dr. Moines, 14, a check in \$100.00 for the two thousand dollar insurance policy. I am very glad to have this money. I am very glad to have this money. I am very glad to have this money.

OBITUARY

FUNERAL OF CHULI GULIANA.
The funeral services over the remains of Chuli Guliana, the Italian who was killed near the Union St. crossing on Saturday night by being struck by a Panhandle passenger train, were held at the St. Francis de Sales church Tuesday morning, conducted by the Rev. Father B. M. O'Boylan, and the interment was made in Mt. Calvary cemetery.

LEBOY CAIN.
Leroy Cain, who was born in Harrison township, Licking county, O., Jan. 26, 1857, died March 29, 1919, aged 73 years, 2 months and 3 days. He belonged to a family of seven children. All have passed away but one sister, Mrs. Ashley, of Morrow county, O. Mr. Cain was married to Caroline Hancock, Dec. 22, 1859. They were privileged to live together to celebrate their 50th anniversary last December. Seven children were born to this union, all living but one daughter, Mrs. Idell Cain Smith, who preceded him to the better world. Another daughter, Mrs. Addie Cain Shaffer, is now in Grant Hospital, Columbus, not knowing of the death of her father. Mr. Cain resided for 14 years in the house where he died. A peculiar feature of the home is that death has never before knocked at its door. Mr. Cain's death being the first since the house was built more than 60 years ago. Mr. Cain was a man who took a warm interest in public affairs and at various times held offices of trust. He was known and respected as an honest man, one who loved his home and was contented there. A kind neighbor and indulgent father has passed away. "God knows the way, He holds the key. He guides us with unerring hand. Someone with tearless eyes we'll see. Yes, there, up there, we'll understand."

DR. THOMPSON'S MOTHER.
President J. Knox Montgomery, of Washington College, New Concord, recently conducted the funeral services of Mrs. Thompson, mother of President W. O. Thompson, of Ohio State University, a former resident of Brownsville. Dr. Thompson's parents are buried in the New Concord village graveyard.

DEATH OF TELEPHONE MAN.
Urbana, O., April 1.—Carl Juvenal, 22, son of Mr. and Mrs. Charles Juvenal, of this city, died yesterday of pneumonia at Crawfordsville, Ind., where he was installing an automatic telephone plant. Mr. Juvenal, who is manager of the American Automatic Telephone Co. of this city and whose own life was despatched of several days ago, left a son and reached his son's side one half hour before death. The body will be taken to Marion, O., for interment.

FRANK BRADLEY.
Frank Bradley, who was struck by a B. and O. train early Monday morning, and who was found lying beside the track by Officer Hinger, died at his home, 40 St. Clair street, at 11:30 this morning. His wife, his mother and a sister survive. Bradley was injured internally and his side was crushed in. Dr. W. S. Turner was called to attend him, but his condition was regarded as

very critical and his death was not unexpected. The funeral will be held Thursday at 2 o'clock. Burial will be made in Cedar Hill cemetery.

MR. FRANK WILSON.
The remains of Frank Wilson came in on Baltimore and Ohio No. 7 from Washington, D. C. Tuesday morning and were transferred to the Cincinnati run and taken to their destination in Columbus, where the interment was made Tuesday. Mr. Wilson was for many years the local passenger agent at this point. He was here under the late Superintendent J. M. Graham, and as such they handled the passenger traffic of the Columbus Exposition in 1893. Mr. Wilson left here in 1894 to follow the fortunes of General Western Passenger Agent Allen, of Chicago, and he worked under Mr. Allen as a district passenger agent on the Atlantic Seaboard for about ten years, after which he went into the service of the government, and was in that service when he died last Sunday in Washington. Mr. Wilson is well remembered by many of the older men in local railway circles. He never married and the remains were laid away to rest by the side of his mother in the cemetery at Columbus.

CARD OF THANKS.
We wish to thank our neighbors and friends for the kindness shown us during the illness and death of our dear father, and for the beautiful floral offerings. Mrs. Caroline Cain and Children.

Do the right thing if you have Nasal Catarrh. Get Dr. King's Cream Balm at once. Don't touch the catarrh powders and sprays, for they contain cocaine. Dr. King's Cream Balm releases the secretions that inflame the nasal passages and the throat whereas medicines made with mercury merely get up the secretions and leave you no better than you were. In a word, Dr. King's Cream Balm is a real remedy, not a delusion. All druggists, dentists, or mail order by Dr. Breckner, 56 Warren Street, New York.

RIGHT NOW.
After a long hard winter is the time to cure your colds, coughs and catarrhs. But don't you inquire as to the best remedy. This victory over disease won't W. B. Bentley's White Lin. Women the Best Buyers

With rare exceptions, women deliberate until they are satisfied before they buy.

Men buy in a hurry and are not pleased.

Now, we'd rather sell to the careful buyer, because the after impression is a pleasant one—the kind that brings buyers back.

You know people blame their displeasure on the store.

We try to never let a customer buy until he is thoroughly satisfied.

Our customers come back.
